

**Welcome  
to Ilam  
School!**

Ilam School goes from years 0-6.  
You will either be in the year 0-1 team, the year 2 team, the year 3-4 team, or the year 5-6 team.

We have lots of different cultures at our school. People are very friendly and make you feel welcome. Your teacher will help you to settle in to your class.

**We hope you  
enjoy your time  
with us at our  
lovely school!**

# What should I remember to bring to school?

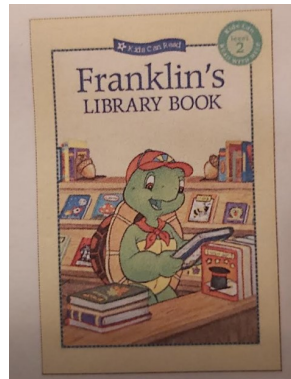

My sweatshirt

My hat

My lunch box and drink bottle

My library book

My reading folder

My pencil case

# These are our school values:

# This is our school vision:

STOP, LOOK and LISTEN before you cross the road.

Be very careful when you cross at intersections.

Use the paths for walking in to school.

Be careful of sneaky driveways! Stop to check there are no cars coming in or out.

## Using the road patrol before and after school

The pedestrian crossing is a special place for you to cross the road.

The road patrollers are there to help you cross the road. Listen to their instructions and don't cross until they tell you to.

Don't go out of the school gates without an adult such as your mum or dad or a teacher.

The red lines mean 'Stop!' Don't cross them without an adult.

## Meet the Year 1 Teachers

(L-R) Mrs Julia Hinman, Mrs Sarah Roberts, Miss Amy Sugrue
